Director's Meeting

30 October 1951

25X1

Mr. Dulles mentioned that he was getting additional facts on reinsurance of cargoes for Iron Curtain countries. The DCI said that it was obvious that the Soviets were tightening up on security and instanced their cancellation of reinsurance and their decision not to disseminate certain scientific periodicals next year.

The Director brought up the OPC project for support of [redacted]. He feels that [redacted] is too high a price and instructed Col. [redacted] to review the project and cut down the amount.

25X1
25X1

Mr. Dulles gave the Director the letter from Mr. Chapman in regard to [redacted] with comments from the Office of DD/P. The Director will call Mr. Chapman.

Mr. Dulles reported on a conversation yesterday with Mr. Barrett and Mr. Joyce of State. He gave the Director a memorandum setting forth Mr. Barrett's complaints against RFE.

25X1

[redacted] He feels we have played down VOA. He would also like NCFE to be on a more international basis. Mr. Dulles explained that we were aiming at sister organizations [redacted] is coming down today to talk to Mr. Dulles after which he will call Barrett.

25X1

Mr. Dulles stated that he had heard that State Department would [redacted] and that this might make it difficult for [redacted] to attend. The DCI stated that this would be true if the General Services Administration withdrew their support, otherwise he thought [redacted] could go. Mr. Dulles will check to see if support has been withdrawn and may also talk to Mr. Bohlen.
